REQUEST TO ABATE (STOP) CHILD SUPPORT BECAUSE OF CHILD(REN) LIVING WITH PAYER

CASE NO._____

Plaintiff's name, address, and telephone number	Defendant's name, address, and telephone number
_____	_____
_____	_____
_____	_____
_____	_____

I am the _____ Plaintiff _____ Defendant in this case

The following child(ren) for whom support is ordered in the above case currently reside(s) with me:

Name of Child	Date of birth	Date child started living with me
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

I believe this living situation will continue into the foreseeable future. Yes____ No____

I am asking that the child support I am ordered for this child (or these children) stop. By requesting my child support to stop, I understand that if there is a current court order for custody or parenting time, it will remain in effect. I understand that the FOC will send a 21 day notice to both parties recommending that support be stopped based upon my representations. If there is no objection filed, my child support for the minor child or children will be stopped while the child or children continue to live with me or until further order of the court. If an objection is filed, I understand I will have to file a motion requesting that support be stopped. I understand that if child support is stopped and if any of my children identified above start receiving public assistance, then my child support obligation may be reinstated in the amount last ordered by this Court.

PLEASE NOTE: The FOC will not accept this request unless your child(ren) has/have been living with you for at least 30 days. In addition, if the child(ren) is/are residing with you according to the terms of a court order (for example it is your half of the summer break with the children pursuant to your court order), child support cannot abate or stop, since this parenting time with your children is already taken into consideration in your child support order.
